“NEWS RELEASE”

MEGASTAR ADDS TO THE TEAM

Megastar Development Corp. (TSX-V: **MDV**; Frankfurt: **M5Q**) is very pleased to announce that David Bikerman has joined the company's board of directors.

Mr. Bikerman holds three university degrees, in mine engineering and mineral economics, including the advanced degrees of Engineer of Mines (1995) and Master of Science (1985) from Columbia University in New York City. David taught Mine Plant Design at the Henry Krumb School of Mines at Columbia University and has worked as an independent consultant to the United Nations, as an Associate with Behre Dolbear & Co., and for various mining companies over twenty years. His responsibilities have included feasibility studies, project resource and reserve analyses, design, construction, and operation of numerous mines around the world.

Megastar's President & CEO, Dusan Berka, commented: "We are delighted to welcome David to our Board. His years of experience on the international stage and extensive knowledge and experience in the mining, exploration and financial markets will be invaluable to our strategic planning and development. Megastar has quality projects in various stages of advancement and the current drill-testing program on the Simkar Gold project in the Val d'Or camp clearly demonstrates significant upside potential for shareholders. David has demonstrated a keen interest and will be a key contributor as we advance our existing projects and seek additional strategic assets to increase shareholder value".
